Dear Organization Hosting a World Café,

We are so excited that you are hosting a World Café! As part of the efforts of the Yolo Family Strengthening Network (YFSN) Committee, we have worked to provide training and technical assistance to organizations hosting World Cafés. In order for the YFSN Committee to continue to be able to provide technical assistance and support related to the World Café model, we need organizations that host World Cafés to collect and report data on Cafés.

Please fill out the YFSN Café Survey for Host Organizations if you host a World Café so we can track the Café movement in Yolo County.

- 1 per café, to be filled out by café organizer
- To be used for any World Café in Yolo County (i.e., not just for parents)
- Aim: Collect data on cafe logistics, questions, protective factors addressed

YFSN Café Survey for Parents

If you host a World Café for parents, please have participants fill out this survey so we can assess the effects of World Cafés on parents throughout Yolo County.

- Aim: Assess satisfaction and whether protective factors were enhanced

There are three ways to submit data from these surveys:
