The Data Committee will be temporary, include less than a quorum of the full board, will serve a limited or single purpose, and will be dissolved once its specific task is completed.
- Natalie introduced Sonali Moonesinghe, a YCCA volunteer who is going to join the Data Committee to help on this project.
- Gina mentioned that First 5 CA is doing a mapping of protective factors by neighborhood with the Children's Data Network that might be helpful.
- Sonali suggested also doing a qualitative situational analysis. This will be discussed in the CAPC Data Committee.

 - CAPC will be working with Resilient Yolo to co-sponsor screenings of movies in April. Two movies are under consideration: *Resilience* and *Broken Places*. She will look into whether a shorter version exists for screening to Yolo County to educate the community about ACEs and resilience.
 - Celina, Cameron, and Mariah highlighted two events for Human Trafficking Month that will be happening in January: movie screening of California's Forgotten Children on 1/15 at YCOE and a Human Trafficking Awareness Event on 1/23 in Woodland. Natalie will send information about these events to the CAPC.
- c. Social media campaigns: Be the One and Start by Believing**
 - Natalie talked about supporting the Resilient Yolo *Be the One* campaign in April.
 - Celina talked about the *Start by Believing* campaign, which is from End Violence Against Women International and has both a provider and a community focus.  - Gina pointed out that the CAPC can get up to \$250 in funding for events by applying for First 5 sponsorship.
 - Natalie asked for volunteers to join the ad hoc CAP Month Committee to work on CAP Month (e.g., movie screening and how we can incorporate these campaigns into CAP month).
