

YOLO COUNTY CHILDREN'S ALLIANCE **HOUSING PROGRAMS**

🏠 **EVICITION PREVENTION**

YCCA Housing Navigators can refer and/or help clients apply to financial assistance for rent past due. YCCA can also provide referrals for legal services.

🏠 **MOVE IN-COSTS**

YCCA understands that move-in costs can be a barrier to obtaining housing. YCCA can refer and/or help clients apply to financial assistance for first month's rent and/or deposit.

🏠 **APPLICATION FEES**

YCCA can help clients apply for financial assistance for application fees when applying to rental units.

🏠 **UTILITY ASSISTANCE**

YCCA can help connect clients to various utility assistance programs.

🏠 **LONG-TERM CASE MANAGEMENT**

YCCA offers a one-year case management program for households that include at least one child who is enrolled in school. The Siemer Family Stability at YCCA supports households with working on the following goals: increasing income, gaining employment, maintaining, or obtaining housing, paying rent on-time, enrolling in adult education classes, and school stability. The case manager will connect with the household on a weekly basis.

🏠 **COVID-19 RENT RELIEF & UTILITIES**

YCCA is a Local Partner Network that is contracted with LISC to help California residents apply for financial assistance through the state run Housingiskey website. Residents can apply directly through the portal at [Housingiskey.com](https://www.housingiskey.com) or can contact YCCA to request assistance with applying. Qualified individuals must be seeking financial assistance for rent and/or utilities due to not be able to pay because they face a hardship directly related to COVID-19 and the resulting pandemic.

🏠 **HOMELESS SERVICES**

YCCA Housing Navigators are happy to provide available resources and referrals for individualized needs. Housing navigators are available to discuss your situation with you to see how either YCCA or another community partner can help!

***ALL SERVICES HAVE THEIR OWN QUALIFICATIONS AND LIMITATIONS.
ELIGIBILITY CRITERIA VERY DEPENDING ON AVAILABLE RESOURCES AT ANY GIVEN TIME.**
